

REMARKS

Claims 1-44 are pending in the application. The Examiner has rejected claims 1-44 under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-59 of U.S. Patent Application Serial No. 10/033,333. The Examiner states that a timely filed terminal disclaimer in compliance with 37 CFR 1.321(c) may be used to overcome this rejection.

Pursuant to 37 CFR 1.321(c), Applicants submit herewith a terminal disclaimer (Attachment A) and Assignee's statement pursuant to 3.73(b) (Attachment B). Applicants respectfully request entry of the terminal disclaimer and statement.

In view of the foregoing, it is respectfully submitted that the instant application is in condition for allowance. Accordingly, it is respectfully requested that this application be allowed and a Notice of Allowance issued.

In the event the Examiner has any queries regarding the instantly submitted response, the undersigned respectfully requests the courtesy of a telephone conference to discuss any matters in need of attention.

If there are additional charges with respect to this matter or otherwise, please charge them to Deposit Account No. 06-1130.

Respectfully Submitted,
